The BPR Story...

On January 9 1863, the first match ever played under Football Association rules was played at Battersea Park, London. This spiritual home of football was where Battersea Park Rangers was founded by a group of 14 year-old school friends who simply wanted to play and do something they loved **together**.

After training for one-year on the playing fields of the park, our club was formed in 1999. Season upon season, BPR progressed through the youth team ranks all the way to senior men's football. The club went from strength to strength adding to its ranks players from across Wandsworth and beyond. Hard fought victories and multiple successful cup campaigns followed including winning the Graham Rodber Premier Division in the Southern Sunday Football League in 2018, the largest and best Sunday amateur football league in South London.

In 2019, BPR founded its second team starting a new and exciting chapter in the club's history with a new under-14 side.

We Are BPR

The BPR CODE

We are a **team** at BPR: we **support** each other in everything we do.

As a member of the BPR family we **commit** to the team, putting WE before I and supporting our teammates in every way we can.

We are **never afraid to fail** and **try again** and we support our teammates as they fail and try again themselves.

BPR Do...

1. Encourage each other
2. Play the beautiful game
3. Put the team first
4. Commit 100%
5. Look to improve always

**“Winning isn’t
everything, but
wanting to win is”**

BPR Don't...

**...Be A
Plonker**

BPR Plonker Rules

1. Don't be a plonker
2. Recognise when you're being a plonker
3. Tell your teammates when they're being plonkers
4. Accept when teammates, or a coach calls you a plonker
5. Don't be a plonker three times in the same way

The BPR Way

Respect

BPR pride themselves on being respectful of the opposition, the referee and any other individuals we come into contact.

We embrace diversity, equality and inclusivity.

Having good manners is a fundamental on and off the pitch.

Responsibility

We are accountable for our actions and behaviour. You cannot control what happens around you, but you can control how you react.

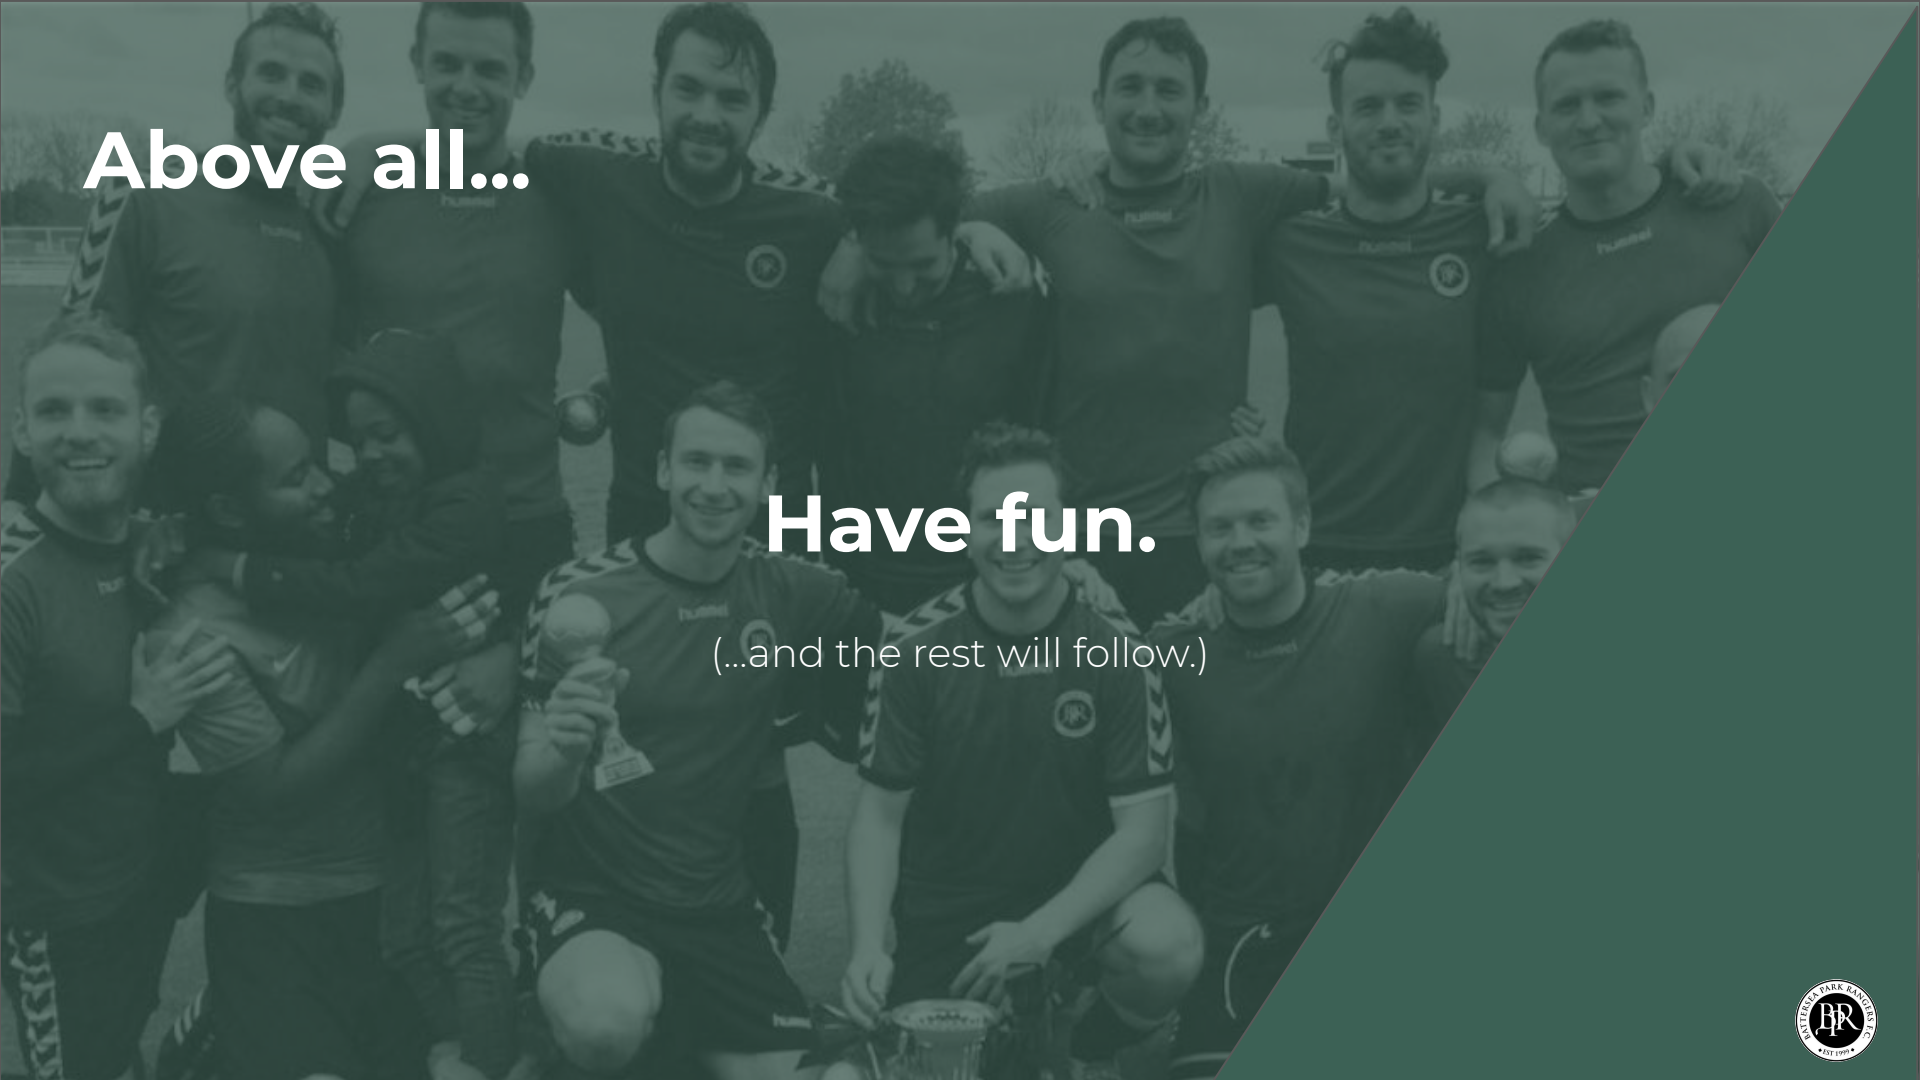

Everyone is responsible for setting an example to one-another.

Attitude

Having a positive and consistent attitude is the foundation of our success as a team and developing your talent as an individual.

A Ranger never gives up.

A group of approximately 12 men, likely a soccer team, are posed in two rows. They are wearing dark-colored soccer jerseys with white accents on the sleeves and a circular logo on the chest. The men are smiling and looking towards the camera. In the front row, a man is holding a trophy. The background is slightly blurred, showing what appears to be an outdoor sports field. The entire image is overlaid with a semi-transparent dark green filter.

Above all...

Have fun.

(...and the rest will follow.)
